Sounds good. Should I set up a meeting for all of us to meet next week?

It is pretty interesting! Let me know if there's anything further I can help with on this.

On another note, I was talking to Elyana and we were wondering if you could start thinking of ways in which the summer law clerks might be able to help with DB issues. We've got one 1L on board and a second clerk (a 2L) that were still searching for. It'd be great if he/she could at least attend some

meetings to gain some familiarity into the issues and/or help with any remaining research projects, etc.

Thanks!
Mai
